To our community partners,

The Tinker Spouses' Club at Tinker Air Force Base would be honored to have your organization's support for our 2025 events and fundraisers. We are a registered 501(c)(4) nonprofit social welfare organization composed of military spouses dedicated to supporting charitable causes both on Tinker AFB and in the surrounding communities. We are also a social organization that helps build the morale and welfare of our members. This year we are introducing our membership to everything the OKC area has to offer!

Our efforts are ongoing, and we are in constant need of donations to continue our mission. While donations are not tax deductible, they are a direct contribution to enrich the experiences of our military families.

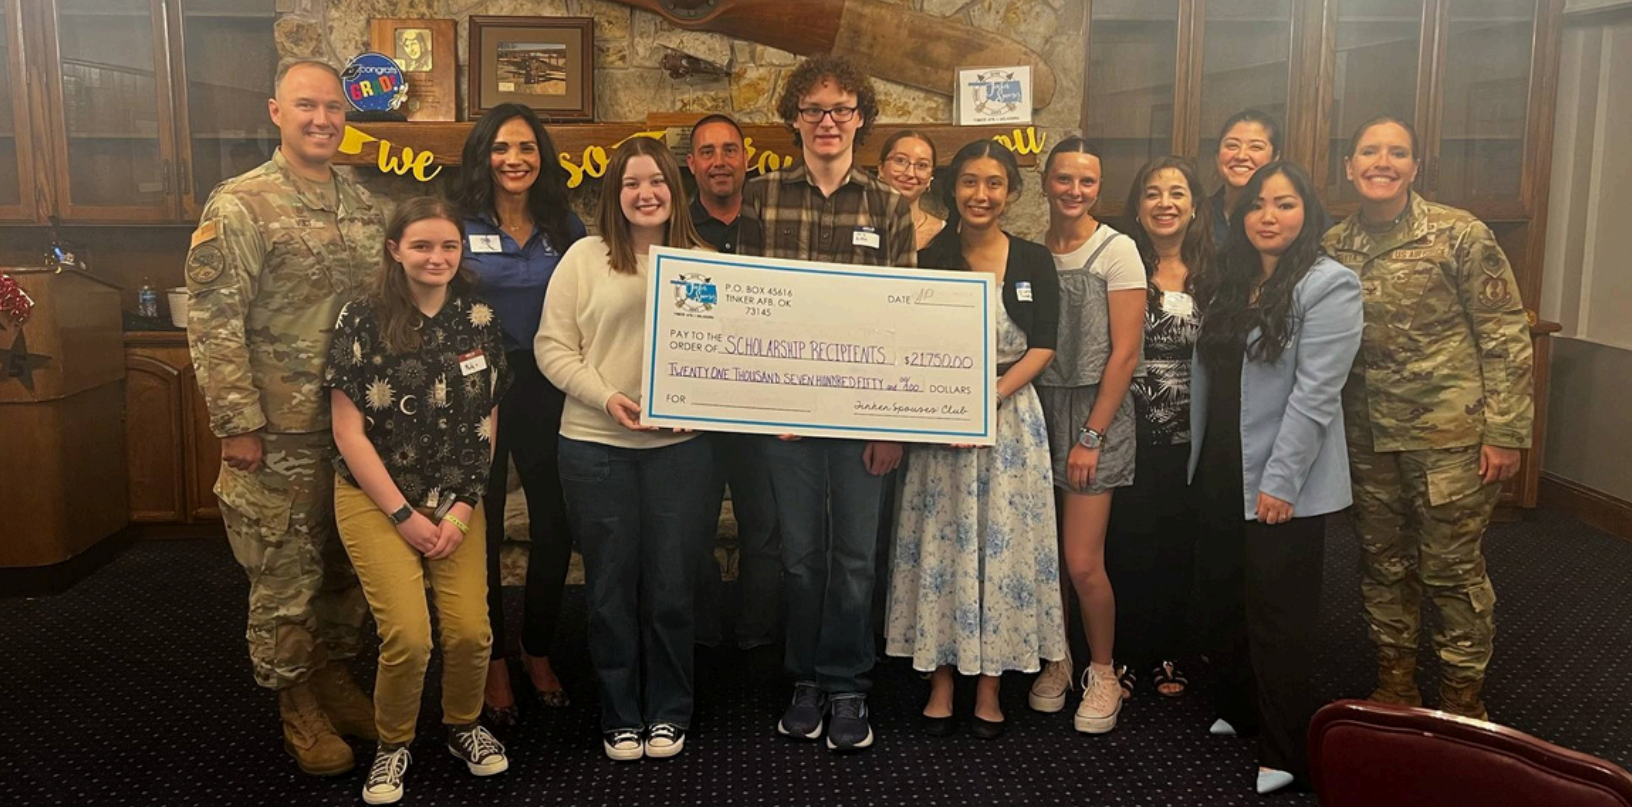

Any assistance you can offer will be greatly appreciated by our members and their families. In the past, we have received cash donations, gift cards, gift baskets, and gift certificates, to name a few.

We would be thrilled to discuss this opportunity with you in more detail.

Please reach out to us at tinkerspouses@gmail.com to discuss more details or return the enclosed form.

We can't wait to hear from you!

ABOUT US

Our mission is to support our membership, Team Tinker, & all military branches assigned to Tinker AFB- Our local military community through social interaction, charitable contributions, and educational & vocational scholarships to dependents and spouses.

In addition to outreach across Tinker AFB, the TSC oversees the Tinker Thrift Shop, the profits of which entirely go back to the Tinker community. Our Board donated over 4,000 hours in volunteer services in 2024. Last year we donated over \$60,000 to Tinker and the local community and awarded \$21,000 in scholarships to dependents. We also unite to coordinate efforts like diaper drives, donation collections, and gift card giveaways.

DONOR OPPORTUNITIES

Any donations received by our community partners will go toward our Operations Fund, directly benefitting our membership and volunteers, without whom our charitable impact would not exist. Operation Funds finance our membership scholarships for enlisted families and spouses of deployed active duty members, our small group meet ups, and our monthly socials to build morale and resiliency, among others.
